Description:

BPGE-MPC is composed of employees of the Local Government Unit (LGU) in Brooke's Point, Palawan. They are providing credit services and rice loan to members of the cooperative. Other services offered by BPGE-MPC include consumer goods and social services such as feeding programs and tree planting in the community, hospital visits and gift giving during holidays. The cooperative decided to collaborate with LGU-Brooke's Point and DOST to support malnutrition problem in the MIMAROPA Region through introduction of the affordable and nutritious complementary baby food (CBF).
