Description:

Bread n? Bite Bakery was established to cater the needs for bakery products of the entire municipality of Palapag. The enterprise is the only bakery in the municipality that sells buko pie among other baked items, thus it has captured the buko pie market in the area. The business venture is a family endeavor and is managed by Mr. Givanim with the support from all the members of the family. Mrs. Katrina Givanim, the Production Manager, acquired her skills in making buko pie and other bakery products by attending a series of Skills Enhancement and Technology Transfer Trainings conducted by the different government agencies.
